PARISH COUNCIL FORMATION COMPLETE

After two years of planning and following several meetings of the three Parish Council Commissions, the first meeting of the St. John Fisher Parish Pastoral Council (PPC) is now scheduled for Saturday, June 5th. The Commission representatives were chosen by their respective memberships; the at-large representatives were recommended by either the Commissions or the Parish Staff. The members are:

Tom Broderick (at-large)
Janet Joyce (at-large)
Kara McElligott (Spiritual Life, Worship & Human Concerns)
Diane Nichols (Christian Formation & Education)
Julie Fitzgerald Quaid (Parish Life)
Jim Rabbitt (at-large)
Mike Ralphson (Christian Formation & Education)
Jack Rooney (Christian Formation & Education)
Norine Vestal (Parish Life)
Peter Wasik (Spiritual Life, Worship & Human Concerns)

Sr. Jean and I are non-voting members of the Council, although "non-voting" is a bit of a misnomer, since all Council decisions are arrived at, not by vote, but by consensus. Consensus is a process of discernment, discussion and reflection where the final decision is one that all may not totally agree with, but with which all can feel reasonably comfortable, and where no one feels as if he or she "lost" or was not heard.

The purpose of this first meeting will be to provide an opportunity for all the members to get to know one another and to discern agenda items to be discussed at the next meeting in late August or early September. At this meeting or the next, a Chairperson, Vice-Chairperson, Recording Secretary and Corresponding Secretary will be chosen. The Council model created by the Formation Committee provides for the PPC to hold either closed or open meetings as well as Town Hall meetings to solicit the ideas and suggestions of a wider group. However, all parishioners should feel free to contact individual members with ideas or suggestions at any time. Somewhere along the way, the members will decide the best way to make more detailed contact information available. It's also important to understand that the PPC is an advisory body with an important role to play in creating a vision for the future of St. John Fisher and facilitating communication throughout the parish, but with a very limited role in relation to Canon Law, Liturgical norms or Archdiocesan policy.

I'm grateful, as we all should be, to those named above and to all the Commission members for their generosity in accepting this call to service in our parish. Their gift of time and talent can only strengthen and enrich St. John Fisher in the years to come.

Fr. Bob

BETWEEN JOBS MINISTRY

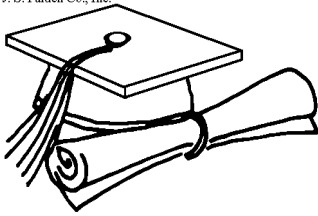

The mission of the Between Jobs Ministry is to provide practical and spiritual resources to support the unemployed and underemployed of our parish. We have experienced and talented people who are looking for employment in banking, marketing, customer service, pharmacy technician and stationery engineering (to name a few). If you know of any employment opportunities, please call the rectory and leave a message.

We're hosting Bob Podgorski on **Saturday June 5th at 10:00a.m.** at the Parish Rectory, who'll speak about developing career tools to help in all aspects of a job search. Bob is an excellent motivational speaker and currently coordinates St. Hubert's Job and Networking Ministry.

We continue to meet on Sunday after the 10am Mass in the Rectory. If you or want to volunteer or learn more about the ministry, contact **Mary Pat Anders (773) 239-3624, Jim White (773) 322-2518** or **Deacon Tom**.

We Proudly Present the ST. JOHN FISHER GRADUATION CLASS OF 2010

© J. S. Paluch Co., Inc.

Congratulations to the sixty-two eighth grade students that will graduate from St. John Fisher School this weekend. We are proud of these fine young men and women and their many accomplishments, as they reach this significant milestone in their lives. We pray that the values which have been so much a part of their years at St. John Fisher will be with them throughout their lives. May they always be as generous with their gifts as they were throughout their grammar school years. May these young people recognize God within themselves and continue to seek God in all whom they meet. May they have the courage to live out all the dreams they envision for themselves, and carry with them the love and support of their classmates, families and our entire parish community.

Maggie Shea

"The week I spent in Harlan has hands down been one of the most amazing experiences of my life. I was tested mentally and physically throughout the week and was able to overcome my obstacles with the help of my peers and chaperones. I was amazed with the patience and kindness that our carpenters and the people in Harlan gave to us during our most special week. I was able to realize the happiness the owners of the house I worked on felt when they cried on our last day of work. This week could have not been possible without my family – all 63 members of it! We truly became a family this week and the happiness we gave and the memories we shared will truly last a lifetime."

Joe Shanahan

"In Kentucky, we changed a families life. I realized how the people in Harlan can get by in life without wants. My week in Kentucky showed me that you can get by with the love of family."

Bridget Balsam

"Kairos. Chronos. God's time. Human time. In Chicago, I am so consumed by my busy schedule. I have to use a planner. In Kentucky, I am able to view the bigger picture. Not just the beautiful new of the mountains, but the beautiful side of life we are often too busy to recognize. I am able to realize how blessed I am with a home, with food, with a loving and supportive family. In Chicago, it is easy to ignore people in need because we are blessed. In Kentucky, it is obvious that people are in need because we passed shacks every-day, reminding us why we we're here. Through this mission trip, I realized the importance to take off my blinders and keep my walls down to enable me to be a more giving person."

Mollie Sullivan

"This was a really great experience. I had so much fun with my friends. I met many great new people. Helping others was really amazing. It feels good to know I made a difference in someone's life. All the people of Harlan welcomed us. Everyone was so nice. I really loved this trip and I will definitely come back to Kentucky."

TEACHER APPRECIATION WEEKEND—JUNE 5th –6th

We all know what a great job our Catholic school teachers do, not only at SJF, but throughout the archdiocese. Their dedication to the educational mission of the Church is enormous, and that dedication often involves a considerable sacrifice when it comes to financial compensation.

So this year, more than ever, we hope you will choose to participate in a special **Teacher Appreciation Collection** at our weekend masses, with the proceeds to be distributed equally among all our school teachers and aides. Today, you will find special envelopes on the tables at the church doors which I would ask you to return next weekend, **June 5th or 6th.**

Please consider the impact the teachers here at St. John Fisher have had on you or your children or grandchildren, and show them your appreciation with your generous gift. After each of the past collections, we were able to give each teacher and aide a check for \$100.00—not like winning the lottery, but still a welcome and much-deserved gift, especially at the beginning of the summer vacation. It would be great if we could add to that appreciation again this year.

Fr. Bob

2010 FALL INTRAMURAL SOCCER REGISTRATION

St. John Fisher will be offering a fall intramural soccer league for children entering kindergarten through eighth grade. Games are played Saturdays during September and October. Over 350 children participated last year. Remember to return the applications which were passed out in school. If you are a CFF student or new to the parish, please pass the word about this program to new neighbors. **Deadline for registration is June 6th.**

HELPING HANDS GLOWING HEARTS

Helping Hands Glowing Hearts is a confidential volunteer service organization dedicating to serving the needs of our St. John Fisher community. Our volunteer list is long and their talents are diverse so tell us what you need and we will make it happen - cooking, shoveling, odd jobs, errands, etc. Confidential nomination forms can be found in the back of church and in the rectory or send an E-Mail hhghofsjf@gmail.com. Tell us what we can do to help you, a family member, neighbor or friend.
